DECEMBER 2009

Message from Dennis Crosby

With the end of 2009 upon us, I'd like to take a moment to thank you for your business and support of ACE Westchester.

As you know, 2009 was a challenging year in the excess and surplus lines market. Despite difficult market conditions, ACE Westchester committed to expanding our capabilities and offerings for several industries and key lines of business. We have enhanced our platform for the [construction and transportation](#) industries, introduced a wider array of [specialty casualty](#) and [environmental](#) coverages and continued to invest in an efficient and broad offering of [small business](#) products. Our [property](#) and [inland marine](#) capacity continue to be market-leading.

We recognize that our success is not possible without your support and we appreciate the trust you place in ACE Westchester. We look forward to working with you in 2010.

Please accept our best wishes for a happy and safe holiday season.

Dennis Crosby
President & CEO
ACE Westchester
