

Barbara Deas named President ACE Westchester Environmental

www.acewestchester.com

Barbara Deas has been named President of ACE Westchester Environmental. Barbara brings over 40 years of diverse insurance industry experience to this role. She most recently served as Senior Vice President, ACE Westchester Environmental, a position she held since August 2004.

Barbara has been instrumental in creating and expanding ACE Westchester's full suite of environmental products and services since the founding of the environmental risk division six years ago.

Please join me in congratulating Barbara.

Bruce
