

ACE WESTCHESTER

The Wholesale focused Division of the ACE Group introduces Core Construction

Construction creates unique third party liability challenges that need to be addressed to protect your client's assets when claim liabilities arise.

Our Core Construction segment a leading Underwriter of Construction business now offers Admitted and Non-Admitted solutions for your complex coverage needs. We offer Primary, Umbrella and Excess coverages with \$25,000,000 in capacity on an occurrence or claims made basis. Aggregates can apply per project or per policy and defense costs can be within or outside the policy limit.

We offer a wide range of forms from standard ISO forms with small deductibles to complex Manuscript forms over Self Insured Retentions tailored to meet your client's individual needs and designed to protect their assets.

As a leader in the excess & surplus lines marketplace we focus on unique opportunities, including classes or risks that require quick out of the box underwriting. Listed below find a list of recently quoted and/or bound accounts to give you a better sense of our broad appetite and capabilities:
